

# Montana Department of Livestock Import Regulations

## Prohibited Exotic Species

- "Prohibited species" means a live, exotic wildlife species, subspecies, or hybrid of that species, including viable embryos or gametes, that may not be possessed, sold, purchased, exchanged, or transported in Montana, except as provided in [87-5-709 MCA](#).
- For a list of prohibited species in Montana, please see [ARM 12.6.2215 List Of Prohibited Species](#).

For questions regarding prohibited species in Montana,  
please contact Fish, Wildlife, and Park (FWP)
